## REPORTS:

Levi reported:

- Busy fogging, larvicide treatment, and vehicle maintenance are being performed.
- Mark Dale was interviewed and accepted the job.
- Levi passed the Mosquito Pesticide applicator test on 5/18.
- Byron installed an updated fogger gps in a pickup and has been traveling around scouting stagnant water after flood waters rescind.
- Byron and Levi attended a Mosquito Control workshop on 5/24/23 in Great Falls Montana. Both felt it was very well worth attending.
- Aiden Hoester built a new holding rack and storage for the fogging chemical.
- We are trying to fog Monday, Wednesday, and Friday mornings or evenings depending on the weather. The schedule is updated on the department Facebook page.

**OLD BUSINESS:**

- Byron is looking at taking the Mosquito Pesticide applicator test.
- Have a full staff. Aiden Hoester has been helping out with fogging.

**NEW BUSINESS:**

- Board member positions: Two three-year terms are open July 1, 2023. Jim Ward has agreed to serve another three-year term.
- Inventory will be done at the end of June and September.
- It was stated that we are keeping the foggers. One as a backup and other for parts if needed.

Next meeting to be held July 18<sup>th</sup> at 4:00 p.m.

**Motion by Jim to adjourn the meeting. Second by Neil. Motion passed.** The meeting adjourned 4:45 p.m.
