REPORTS:

Levi reported:

- We are trying to fog on Monday, Wednesday, and Friday mornings or evenings depending on the weather. The schedule is updated on the department Facebook page.
- Byron is still pretreating areas with mosquito larva.
- We are looking into what may be causing an outlet on the north side of the shop to not be working. Sand Electric will give us a quote.
- We will be working the several fair venues on creating a bug control treatment schedule for the week of the music concert and fair events.
- A spill containment area for the mosquito fogging chemical must be built or purchased. Levi looking at options for doing later.
- Discussed 8:30 p.m. as being too early to be spraying.
- Mark Dale and Dalton Kaasa are working both weed and mosquito.

OLD BUSINESS:

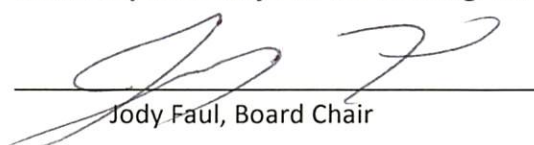

- Beginning July 1, 2023 Jim Ward was reappointed to another three-year term and Gil Johnson joined the board for a three-year term.
- Jim Ward will help do them chemical inventory.

NEW BUSINESS:

- Sand Electric took care of malfunctioning GFI outlet on the North Wall of the shop.
- Getting quotes for GFI and bringing up to code.

Next meeting to be held August 15 at 4:00 p.m.
