

The Hillview Cemetery Board met on May 23, 2022, at Hillview Cemetery at 6:30 p.m. Present were Wade Riden, Rhoda Yeska, and Doris Tollefson. Acting President Wade Riden called the meeting to order at 6:30. The minutes of the previous meeting were read and accepted.

Getting water into the cemetery was discussed once again. Wade asked Doris to get an estimate for the cost of this project from Kent Hubbard and Jed Korman, so we have an idea how much the project will cost.

The cactus problem was discussed with several suggestions to control it: dig it up, torch it, apply chemicals to it. Other items discussed were to replace or refurbish the signage at the entrance to the cemetery; and sunken headstones need to be lifted.

Wade suggested that we have a workday inviting community members and civic groups to trim trees and bushes, lift the stones, dig cacti, etc. Wade suggested that Doris organize this by putting up posters and contacting groups to volunteer their time for a work day at the cemetery.

Randi Jo Sones was approved as an assistant caretaker.

The meeting adjourned after a tour of the cemetery.

Respectfully submitted,
Doris Tollefson,
Secretary

Wade Riden President
