The Opheim Cemetery Board met at the Opheim Outpost Café on Saturday, October 30, 20, 2021 with Steve Schuster, Babe Floyd, Walt Nelson and Patti Stein present.

Pres. Steve opened the meeting.

Minutes were read and approved. Walt reported he drained the water at the Opheim Cemetery for the Winter.

Old Business: Steve and Walt met with the Northern Lites 4-H Club representative, Lori Westby, and they decided to pay the 4-H Club \$1600.00 for the mowers, weed eaters and Building. Walt moved we pay the 4-H Club \$1600.00, 2nd by Babe and motion carried.

Steve reported he had a call from Geraldine Fuhrmann that we pay the Fuhrmann Family for the mowing of the Glentana Cemetery as they did it not the 4-H Club. , Steve discussed prices for the mowing of the cemeteries and he thought the mowers should get more for mowing the Opheim cemetery than the Glentana cemetery as it is bigger and many more graves. Walt moved we increase the amount to \$1600 for the Opheim Cemetery, 2nd by Babe. Motion carried.

We need someone to mow Opheim Cemetery as Tracy Schuster did it this year but would rather not do it again. Steve and Patti will talk to ones they think might be interested. It was discussed if we could buy a riding mower if necessary and decided that could be done.

Walt and Steve will go to Floyds sometime to check out a hedge trimmer we have. In the spring we will discuss hedge trimming.

Steve closed the meeting.
