NEW BUSINESS:

Discussion was held on receiving cash at the scale. Any load under four hundred pounds is \$5.00. A lot of citizens and business pay with cash since the load is only \$5.00. The citizen or business is given a scale ticket as a receipt and the second scale tickets is a receipt for the landfill with payment info written on it. There is a copy of those scale receipts saved at the landfill. Refuse board thinks the landfill is doing a good job at keeping records for the cash in case of an audit.
